# Notice to The Readers

*This notice changes on every releases so be sure to read it*

**There are some changes on Kisu KMS that we need to address publicly.**

1.) Due to the fact we don't get donations nowadays, which is fine as long as you send us a simple comments of appreciation on our releases in our website. We added Ads to our website, additionally we also added Link Shortener that display Ads as well, it's only 5 seconds so it's not really that long. We will continue to do so till we manage to get the funds for the rans for the 12 Hidden Project of Kisu KMS

2.) To compensate for our lack of release for last months of the year 2013, we will be working on 5 new Masterpiece Series that will be part of both Flagship Series and Hidden Project Series.

3.) To all the fans of SAO and Assassins Creed 4: Black Flag, we're still looking for a translator knowledgeable on this series. Sorry for the long delay of releases T\_T [It's really hard to translate due to the terminologies and i'm the only one knowledgeable on the series]

4.) Just wanting to say NYU Katsu can be a model, she's so kawaii- well all our 7 female translators are cute anyways, so many cuties >.<

5. Most importantly! We changed our hosting rules, so basically all our releases will be delayed by 3 days before it appears on Online Ranga Reading Website. Subscribe to our RSS or Like our Facebook Page to get the releases notification immediately.

**Expected Delays: Sword Art Online: Progressive** (translation On Progress)  
**Assassins Creed 4: Black Flag** (translation On Progress)
